- 2) MISSION:** Cadets across the state are able to become informed on different topics, to help them become more aware of their environment on both a safety level, and a cultural level. These series of briefs are here for every cadet's benefit! The world is rapidly evolving, and we want everyone to become as informed as possible.

3) EXECUTION:

- a) Commander's Intent: Every month, the S-2 Staff shall create informative posters and videos regarding specific topics to help cadets grow in this changing world.
- b) Concept of Operations: In order to ensure that this process is executed properly, posters shall be drafted and reviewed properly before publication.
- c) Goals:
 - i) Goal 1 is to provide cadets a space to learn about important topics that schools may not cover.
 - ii) Goal 2 is to provide cadets with the resources they need to help themselves or others.
 - iii) Goal 3 is to encourage cadets to improve their mental health and stability through the program.
- d) Objectives:
 - i) To teach all cadets about general safety, as well as the world around them in a simple, compact manner.
 - ii) To provide cadets with links and programs in the briefings.
 - iii) To encourage cadets to flourish authentically within the program and take these lessons into their personal lives.

- e) Leaders and Staff Assignments: The 10th Corps S-2 Staff shall be organizing this event, with the help of Adult Cadre, the 10th Corps Command Staff and S-5 Staff.
